

# MBQIP 2025 Timeline for Critical Access Hospitals

Starting in calendar year 2025, hospitals will collect data to report on the updated MBQIP core measures set as part of the Flex Program. Details on the new MBQIP core measure set along with those measures continuing from the current MBQIP measure set are depicted in the following tables.

During calendar year 2024, hospitals should continue reporting the [existing MBQIP core measure set](#). In addition, hospitals are encouraged to start reporting on the measures that will be new in MBQIP 2025 as soon as they are able. At a minimum, hospitals need to put processes in place so they can collect and report data from the 2025 calendar year. During this time, [State Flex Programs](#) and the RQITA team are available to assist hospitals and health systems with the transition.
